

Crews Middle School

Dear _____,

I am a member of this year's **Crews Middle School Science Olympiad Team**, and we are already preparing for a challenging year of competition. Last year was our first year having a team at Crews and we experienced a lot of success and learned so much. We even qualified for the State Tournament in our first year. We are excited to use everything we learned last year to go even further this time

At each tournament, my team will compete in twenty-three separate events covering the major areas of science, technology, engineering, and mathematics. Many of these events involve tasks that require us to purchase building materials, tools, and instructional resources. We will enter three tournaments this year and each one requires a registration fee.

In order to help relieve the financial burden placed on my family, my school and my coaches, I am asking you to please consider making a **tax-deductible contribution to the Crews Middle Science Olympiad Team**. I understand that in these difficult economic times, making a large donation may not be possible, but **donations of ANY amount are greatly appreciated** and can go a long way in helping my teammates and me to continue our pursuit of excellence in the field of science. Thank you in advance for your support!

Sincerely,

And the Crews Middle Science Olympiad Coaches

Crews Middle School

Name of student requesting contribution: _____
